## Press Release

**November 18, 2010**

### **Official Facsimile under Department of Disaster Prevention and Mitigation**

No 0616/ 12307

Dated November 17,2010

**From :** Director General of Disaster Prevention and Mitigation

**To :** Governor of Nakhon Si Thammarat Province

-----

In accordance with Department of Mineral Resources (DMR) reports that the two kilometer-long- crack within recent years in La-ai sub-district, Chawang district, Nakhon Si Thammarat province could cause a chance of landslide. Therefore, DMR informs Department of Disaster Prevention and Mitigation to monitor and disseminate warning messages to the public regarding landslide in risk areas.

Thus, in order to prepare for landslide emergency response which could cause lose of live and property including agriculture farmland, it has to emphasize the above mentioned risk area as the followings;

1. To inform district, local administration organizations and nearby risk areas to prepare for emergency response and victim assistance.
2. To disseminate warning messages to the pubic at risk and nearby areas to prepare for disaster from landslide via local communication systems such as local radio station, radio towers, civil defence volunteer and amateur radio networking etc.

Mr.Chatpong Chatraphuti  
Deputy Director-General  
Acting Director – General

## Press Release

**November 18, 2010**

### **Official Facsimile under Department of Disaster Prevention and Mitigation**

No 0616/ 12308

Dated November 17,2010

**From :** Director General of Disaster Prevention and Mitigation

**To :** Director of Department of Disaster Prevention and Mitigation Regional Center (DDPM Regional Center) 11, Surat Thani Province

-----

In accordance with Department of Mineral Resources (DMR) reports that the two kilometer-long- crack within recent years in La-ai sub-district, Chawang district, Nakhon Si Thammarat province could cause a chance of landslide. Therefore, DMR informs Department of Disaster Prevention and Mitigation (DDPM) to monitor and warn the public regarding landslide in risk areas.

Thus, in order to prepare for landslide emergency response which could cause lose of live and property including agriculture farmland, DDPM Regional Center 11, Surat Thani Province should implement according to following procedures;

1. To prepare and support personnel, equipment and tools to Nakhon Si Thammarat Province during emergency situation
2. To report the emergency implementing operation to Emergency Center for flood, Storm and landslide, Department of Disaster Prevention and Mitigation by facsimile number 02 241 7450-56 (automatic number) and for information telephone number 02 241 7457-61

In this regard, Department of Disaster Prevention and Mitigation has already informed the implementing procedure directly to Governor of Nakhon Si Thammarat Province as well.

Mr.Chatpong Chatraphuti  
Deputy Director-General  
Acting Director – General
